

## Videos: Chapter 10

### Assessment of English language learners

This 45-minute webcast is an introduction to assessment for teachers of English language learners. Dr. Lorraine Valdez Pierce discusses performance-based standardized assessments; assessment as a tool for informing instruction; use of assessment to reinforce reading comprehension; and student self-assessment and self-monitoring.

### ELL-Focused Accommodations for Content-Area Assessments.

Abedi discusses ELL accommodations for content area tests, provides recommendations, and explores research-based critical issues related to ELL content area accommodations, such as effectiveness, validity, differential impact, comparability, relevance, and feasibility.
